

Ramblers Association

Walk Leadership Foundations

Online training available

18 January 2021

You must be registered with ASSEMBLE as a volunteer before you can access the training. The instructions are available on the ECR website and on the Ramblers website.

Walk Leaders can now access the Walk Leadership Foundations course through Assemble. If you're new to leading walks, it will give you the basic skills needed to take on the Ramblers' most popular volunteer role. And if you're an experienced walk leader wanting to brush up your skills, there's plenty for you too.

As a Walk Leader, you help everyone enjoy the joy and benefits of walking together outdoors. To support you in your role, we've now launched the Walk Leadership Foundation course.

We previously had plans to roll out more Walk Leader training in face-to-face sessions across Great Britain, but the spread of coronavirus quickly interrupted our plans. However, we're pleased to have developed that training into this online course - which even more of you will be able to access.

It covers what to consider before, during and after your walk, including safety and managing tricky situations, provides practical tips and gives you a chance to hear from other Walk Leaders.

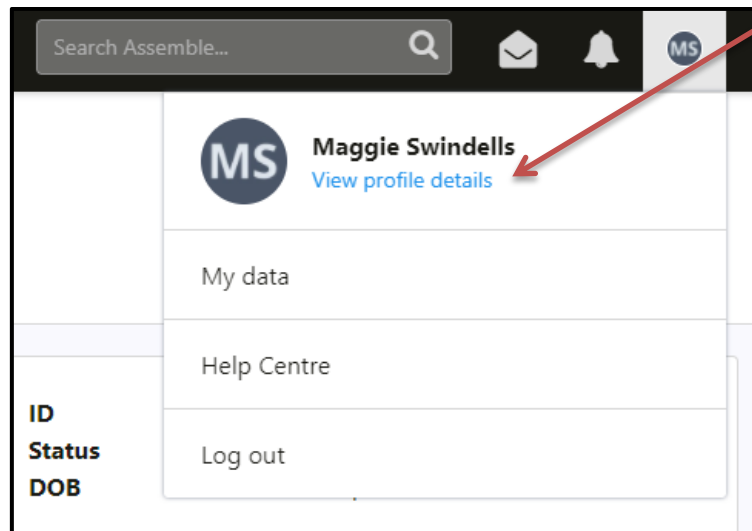

To find the Walk Leadership Foundations course in Assemble, follow these steps:

Log into Assemble using your ASSEMBLE user name and password

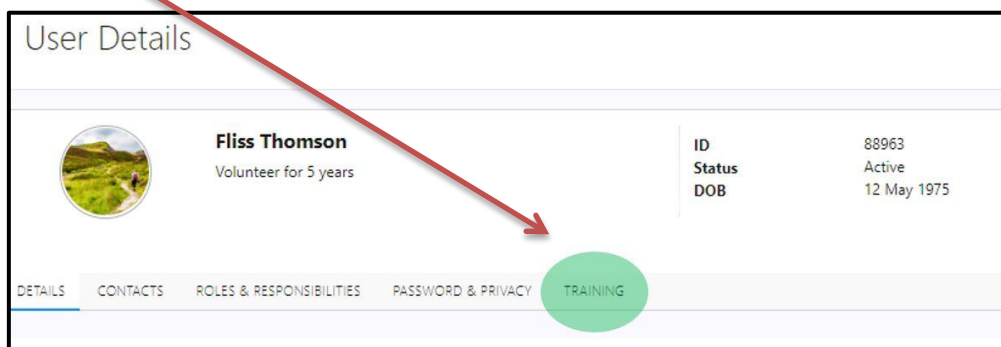

- **Go to your profile.** To do this, click on your initials in the circle at the top right hand corner on the black menu bar

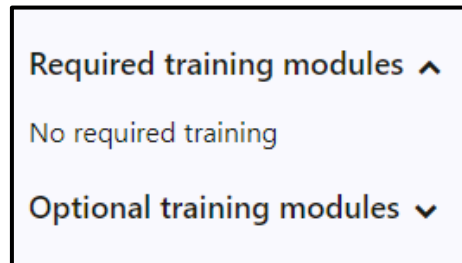

- **Another box will appear underneath the menu bar. Click on the blue 'View profile details'** which should appear underneath the circle.

- **Click on the Training tab in your profile.** See the image below to locate the Training tab. Here, you will see the training opportunities available for your role.

- The following should appear. Click on the down arrow next to **OPTIONAL TRAINING MODULES**

- Two pictures should open. Click on the blue box labelled 'Go to Course' in the **Walk Leader Foundation** course.

- **Click on 'Go to course' and you'll be able to get started!**

We hope you enjoy the training!

If you have any questions about the training, please let us know on volunteersupport@ramblers.zendesk.com.
