

Electronic Walking Applications

Thursday 18th July 11.00 – 4.30pm

MACCLESFIELD TENNIS CLUB
Learning Zone Campus, Park Lane, MACCLESFIELD
Cheshire SK11 8JR

This workshop will take members through a step by step guide to the 2024 Ordnance Survey (OS) App for mobile phones and PCs.

We will use the OS App to:

- Track and save a short walk
- Map a new walking route
- Create a route which can be shared with others (a GPX file)
- Transfer walk routes from a website onto the OS Maps App

Participants will need the following:

- *In order to participate fully in the training members will need to purchase and download the Ordnance Survey App before the training day. Ordnance Survey (OS) offers a **FREE 14 day trial** of the OS Premium App. You can download it by clicking here [FREE TRIAL](#)*
- *Electronic devices i.e. phones, laptops, iPads, tablets*
- *Chargers for electronic devices*
- *Passwords for electronic devices*
- *A packed lunch and suitable clothing*

Trainers will be able to offer help with other apps but our main focus will be the use of the OS App.

The event is free. To book a place on the course please email Maggie Swindells with your name and membership number maggieswindells@gmail.com or text/ telephone 07729327940.

AGENDA

- 11.00** WELCOME
- Expectations of the day
- Working in small groups track a short local walk using the OS App
- 12.30** Lunch Break
- 13.00** Demonstration
- A step by step guide to the OS App for phones and PCs
